Why Study in Philippines?

Medium for Learning English

- Philippines is the largest English Speaking country in Asia and third largest English-speaking country in the World. English is used as a medium of instruction in higher education and that's why Filipinos are considered as one of the most competent English speakers.
- Literacy rate is more than 93%.
- English is a official language of Philippines in addition to Filipino.
- Philippines as being former colony of USA and more than 92% people speaks English
- Philippines follow the American education system and the medium of teaching is English
- Student interact with patients in English.
- Since English is language of communication and language of instruction in universities , no need to learn another language to talk to patients.

US System of Education

- Doing MD from Philippines after 12th, students get dual degree (BS & MD).
- Education system similar to that of USA. American Style PBL Curriculum. Easy to get through USMLE. Many toppers go to USA from Philippines.
- Medical universities are listed in the world health organization (WHO) Geneva, FAIMER, etc.
- Recognized by Medical Council of India (MCI).

Centre for Higher Education

- The Philippines attract student from more than 55 countries. Student from the United states , Europe, Singapore, Malaysia, Taiwan, Thailand, Hong Kong are also studying in Philippines.
- Many universities are having tie-ups with US medical colleges for clinical clerkship / rotation accommodation, later help in getting job in USA after graduation.
- Philippines have Top renowned universities Worldwide.
- Great training and clinical experience for student.
- Philippines Medical Colleges are having excellent trek record. Over 90% success rate of MCI test. Very high success rate in USMLE.

About Philippines

The country boasts of a unique identity that is mixture of different cultures and communities from western as well as its neighboring eastern countries. Philippine culture shares a lot of similarities with western culture as it was occupied by Spain for around 300 years and the United states for about 50 years. Filipinos are known for their Hospitality.

Affordability

- Affordable overseas degrees and tuition fees
- Economical accommodation and living expenses
- Excellent and comfortable boarding facilities
- Affordable medical and dental expenses
- Inexpensive travel cost
- Student-assisted visa application

Climate

- Tropical country with disease common in India such as Malaria Typhoid etc.
- Weather is tropical like in India and temperature ranges from 21 to 35 degree centigrade.
- By and large temperature remains between 28 to 32 degree centigrade through out the year.

Transport

- Philippines is well connected to all major cities of the world and has three international airports at Manila, Cebu & Davao. Manila has various means of public transport system in the form of Buses, Metro rail, sharing taxis (Geepneyes), Taxis etc.

Lyceum Northwestern University

- Lyceum Northwestern University (LNU) is Founded in 1969 and is located in Dagupan City . Dagupan is an independent city in Pangasinan province with a small population of about 180,000 inhabitants and is located in the Island of Luzon.
- It is a major commercial and Financial Centre in the North of Manila and is a very quiet and lush green city with an excellent average temperature between 22 to 32 deg C round the year. It provides an excellent academic environment to the students. Dagupan has 12 hospitals with the largest one having more than 600 bed space.
- LNU is about 230 kms from Manila International Airport and very well connected with Manila by 6 lane highway and with fast neat and clean AC bus connectivity in every 30 Minutes , and takes approx. 3 hours 40 minutes travel time from Airport via (N Luzon W Expy/R-8 and N Luzon Expy/R-8).
- LNU started as a nursing school and gradually developed into full grown independent university. Its medical college is very well known and emphasize on balanced academic and social competencies and team spirit.
- LNU has a clear vision to be the Regional Center for Excellence in Medical Education by the year 2020.
- LNU has a modern campus with more than 7000 students community studying in various faculties, including over 1800 foreign students that includes more than 250 Indian Medical students.
- It offers safe and secure affordable housing and mess in its modern hostel building. In addition it also has on campus sports and recreational facility. Separate Indian Food mess.
- LNU College of medicine is listed in WHO Directory of Medical Universities and its medicos, Educational Council for Foreign Medical Graduates (ECFMG) & MCI.
- Listed in IMED Directory. Students can appear for USMLE part 1 & 2 in Philippines during their study.

Practical Exposure

It provides practical exposure to its medical students through its affiliation with government hospitals and medical centers.

The students of LNU get to train in Region 1 Medical Center and other Government hospitals of Dagupan City. Final Year Students (MD-4thYear) in their Clerkship rotation program get excellent hands on exposure under the guidance of active consultants. They get training for 12 months in the affiliated hospitals in the following specialties:
