# Why Study in Philippines?

## Medium for Learning English

- Philippines is the largest English Speaking country in Asia and third largest English-speaking country in the World. English is used as a medium of instruction in higher education and that's why Filipinos are considered as one of the most competent English speakers.
- Literacy rate is more than 93%.
- English is a official language of Philippines in addition to Filipino.
- Philippines as being former colony of USA and more than 92% people speaks English
- Philippines follow the American education system and the medium of teaching is English
- Student interact with patients in English.
- Since English is language of communication and language of instruction in universities , no need to learn another language to talk to patients.

## US System of Education

- Doing MD from Philippines after 12<sup>th</sup>, students get dual degree (BS & MD).
- Education system similar to that of USA. American Style PBL Curriculum. Easy to get through USMLE. Many toppers go to USA from Philippines.
- Medical universities are listed in the world health organization (WHO) Geneva, FAIMER, etc.
- Recognized by Medical Council of India (MCI).

## Centre for Higher Education

- The Philippines attract student from more than 55 countries. Student from the United states , Europe, Singapore, Malaysia, Taiwan, Thailand, Hong Kong are also studying in Philippines.
- Many universities are having tie-ups with US medical colleges for clinical clerkship / rotation accommodation, later help in getting job in USA after graduation.
- Philippines have Top renowned universities Worldwide.
- Great training and clinical experience for student.
- Philippines Medical Colleges are having excellent trek record. Over 90% success rate of MCI test. Very high success rate in USMLE.

## About Philippines

The country boasts of a unique identity that is mixture of different cultures and communities from western as well as its neighboring eastern countries. Philippine culture shares a lot of similarities with western culture as it was occupied by Spain for around 300 years and the United states for about 50 years. Filipinos are known for their Hospitality.

## Affordability

- Affordable overseas degrees and tuition fees
- Economical accommodation and living expenses
- Excellent and comfortable boarding facilities
- Affordable medical and dental expenses
- Inexpensive travel cost
- Student-assisted visa application

## Climate

- Tropical country with disease common in India such as Malaria Typhoid etc.
- Weather is tropical like in India and temperature ranges from 21 to 35 degree centigrade.
- By and large temperature remains between 28 to 32 degree centigrade through out the year.

## Transport

- Philippines is well connected to all major cities of the world and has three international airports at Manila, Cebu & Davao. Manila has various means of public transport system in the form of Buses, Metro rail, sharing taxis (Geepneyes), Taxis etc.
