ABOUT US

Virgen Milagrosa University Foundation (VMUF) is a privately-supported coeducational institution founded in 1958 by Dr. Martin Posadas and Dr. Rosalina Q. Posadas offering courses in the medical and paramedical fields, in liberal and applied arts, sciences, and technical-vocational courses, secondary, elementary and pre-school courses. The VMUF as a Catholic University is committed to provide relevant programs and responsive services pursuant to statutory and regulatory requirements for the satisfaction of its stakeholders through continuous improvement of its quality management system.

MISSION :

"The VMUF, under the inspiration and patronage of Our Lady of the Miraculous Medal, affirms its commitment to provide transformative Catholic education relevant to national and global needs."

“

We pride ourselves on honing some of the generation's best minds.
