Program Title: Medical Doctor (MD) Program

Program Structure & Curriculum

Program Structure:

- **Two Main Stages:** Initial Medical Stage and Clinical Medical Stage.
- **Duration & Credits:** 360 ECTS (6 years/12 semesters).
- **Study Plan Breakdown:** A brief summary of the 1st stage and Clinical Stage with semester highlights.
- **Clinical Training:** Focus on the integration of clinical practice through the Pineo Medical Clinic.
- **Learning Methods:** Use of modern technologies, PBL sessions, and clinical rotations.

Clinical Training & Pineo Medical Clinic

- **Pineo Clinic Overview:**
 - **Owned by GRUNI**, serving as a fully integrated clinic for hands-on training.
 - Opportunities for students to practice various specialties under expert supervision.
- **Clinical Rotations:** Integration into real-world settings and working with actual patients.
- **Role in Student Development:** Pineo helps bridge the gap between theoretical knowledge and practical skills.

International Opportunities & Partnerships

- **WFME accreditation**, enabling students to pursue residency and studies globally.
- **GMC Requirements:** Meet UK residency standards.
- **WES Canada:** Meets Canadian accreditation requirements for continued medical studies and residency.
- **International Partnerships:** Mention of collaborations with:
 - Masaryk University (Czech Republic)
 - Yeditepe University (Turkey)
 - World Elite Surgeons Pty Ltd (Australia)
 - Health Professional Fund (HPFund)

Career Opportunities & Graduates' Success

- **Graduate Career Pathways:**
 - **Independent Practice** (dependent on country legislation)
 - **Further Education:** Continuing to doctoral studies or medical residency programs.
 - **Scientific Research & Academia:** Opportunities for academic and research careers.
- **Global Employment:** The flexibility to practice medicine or further studies anywhere in the world due to WFME accreditation.
